# Application Questions

*These questions are provided for your further study and application of today's message. Thoughtfully writing out the answers to these questions will help to drive home the point of today's message. It is also helpful to discuss your answers with others. This can take place with friends, your family, accountability partners, or ministry groups within the church*

1. In what ways have the first three messages of this current four-week series challenged you regarding the direction and investment of your life?

What adjustments have you been motivated to make and which are you still debating?

2. If Christ were to call you home today, how would you evaluate the impact of your life as it relates to Christ's church? In other words, how would you quantify the benefit of your life on God's people?

Read Philippians 1:22-26. How would you describe the impact you would like to make for God's kingdom in the days you have remaining?

3. Read Ephesians 5:25-27 (with a focus on Christ's attitude toward his church). In what ways have you thought less of the church than Christ thinks?

What are some indicators that would show that you have a high view of the church?

4. In what *specific* way are your particular gifts and abilities being utilized for the good of Christ's church?

Read 1 Peter 4:10. How would you rate your stewardship in this area of your life?
