

# Application Questions

*These questions are provided for your further study and application of today's message. Thoughtfully writing out the answers to these questions will help to drive home the point of today's message. It is also helpful to discuss your answers with others. This can take place with friends, your family, accountability partners, or ministry groups within the church.*

1. Describe the impact and godly influence a Christian friend has had on you.

What kinds of things did that friend regularly say or do to make that kind of impact on you?

2. How well do you think you are doing at being a godly influence in lives of your friends?

What keeps you from taking more initiative in helping your friends be more godly?

Read Proverbs 27:17 and Romans 1:11-12. How do these verses motivate you to attempt to make more of a difference in your friends' spiritual lives even if you sense they are more godly than you are?

3. What is your current commitment as it relates to biblical intake (i.e., Bible study, Scripture memorization, etc.)?

How are you doing in keeping those commitments, and what new commitments do you think you should make to insure that the "word of Christ is dwelling in you *richly*"?

4. How do you think your friends would describe your overall attitude?

Make a list of reasons you have for singing and being grateful.
