# Application Questions

*These questions are provided for your further study and application of today's message. Thoughtfully writing out the answers to these questions will help to drive home the point of today's message. It is also helpful to discuss your answers with others. This can take place with friends, your family, accountability partners, or ministry groups within the church.*

1. In looking back over our study of Hebrews so far, how have these past twenty-one sermons helped you to appreciate the greatness of Christ?

What can you do to demonstrate more appreciation, respect and worship for Jesus more often?

2. Read **Hebrews 2:1-3** and **5:11 – 6:1**. What would you say to someone who says that he or she is not into being so concerned about all the details of the Bible, but prefers to be satisfied with the basic themes of Christianity?

What habits are in place in your life to help ensure that you are continuing to learn and grow in your understanding of Christ's teachings and your Christian maturity?

3. What dangers and temptations do we face when we fail to ponder the great cost of our redemption?

4. Read **Matthew 6:19-24**. How are you living and working for dividends in the next world? How can you be more "heavenly minded" in your daily life?
