# Application Questions

These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others..

1. What are some of the ways the gospel can be erroneously truncated, reduced or oversimplified?

Why is this error such a serious biblical concern?

2. Obviously, Christian parents are rightly desirous of seeing their children come to the place of biblical repentance and faith. What though, are some of the dangers of parents tacitly demanding, wheedling, or manipulating their kids into some sort of profession of faith?

Read **1 Corinthians 3:6-7**. How do these verses help put our parental evangelistic efforts in perspective.

3. Read **2 Corinthians 5:17-20**. Describe a situation when you "implored" an adult to be reconciled to God.

What are some of the excuses that you have heard people give for not becoming a follower of Christ?

4. What could you do to insure that you more consistently and persistently pray for the conversion and spiritual growth of your children and the other children of Compass Bible Church?
