# Application Questions

*These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others.*

1. Read **1 Peter 5:8-9**. What's wrong with just "thinking positively" about the Christian life and avoiding any concerns about the kinds of things spoken of in these verses?
2. Read **Philippians 3:4-9**. As we fight our own temptations, why is it so critically important we remember that Christ's righteous life is the basis of our salvation? What happens when we forget this central Christian truth?
3. Read **Hebrews 2:17-18** and **4:15-16**. Carefully ponder these verses and write down some of the ways these realities can bring you strength and hope amid your temptations this week.

4. Read **1 Corinthians 10:1-13**. How do the bad examples of Israel in the wilderness and God's response toward them change your attitude about your daily fight with temptation?
